Letter from the Board President

I would like to thank everyone who participated in this year's election. It is my understanding that the votes casted were the highest number counted from previous years. The strength of our community is based on our residents involvement.

Our social committee has been a beehive of activities these last few months. If you have not attended one of the Wednesday night activities, you are missing out on a fun time. The upcoming BBQ will be the first all catered event that we have had. The social committee has put in a great deal of thought putting this event together, they are an asset to our community.

The covenants committee continue to turn around applications in a timely manner. They are ensuring that our community maintains a high standard and by therefore protecting our property values. This will make our community one of the most desirable areas in Prince William County to live in.

The grounds committee are always looking for ways to improve our landscaping. They identify maintenance when needed and continue to ensure they are correct. Recently they recommended to the board that locks be placed on the tennis courts. This will minimize the maintenance required and ensure our residents have quality courts to play on. We had a number of complaints of people using the courts as a skateboard area, letting dogs loose and bicycle riding. The court has been resurfaced at a cost of \$26,760.

The finance committee continues to report that our finances are strong!

All of our committees are always looking for volunteers. They meet once a month at the club house between 7-9pm. Please check our HOA calendar to see if you can stop by one of the meetings. They would love to hear from you.

If you also have any concerns for the Board, please come out to our monthly board meetings to voice your opinion.

Regards,
Pete LaGuardia, Board of Directors, President

Movie Night At The VOP I Pool

Date: June 29, 2018

Movie Title : "Sing"

Family friendly! Brings snacks and blankets! Starts at sunset...

Annual VOP BBQ Update!
Saturday, May 19th at 4pm - 7pm
In the grassy lot behind VOP2 Clubhouse

Keep those RSVPs coming...it's not too late to enjoy the fun!

Please RSVP with the number in your party to Joanna Lange mosslange@gmail.com (If you already sent your RSVP, no need to do it again.)

Below are some details about the day. We are looking for volunteers to head up a couple activities so please contact Joanna Lange if you can get involved!

Menu

Mission BBQ is catering the event, including pulled chicken and pork, buns, Mac and cheese, beans, coleslaw, and cookies. VOP will supply bottled water. If you like other snacks, appetizers, drinks, feel free to BYOB. Mission will not have meatless options but we do have some amazing neighbors who offered to donate veggie burgers and hot dogs if someone will **BRING A GRILL** out to the park. If you have a portable grill please contact me.

Activities and Games

This year we are going family-style with good old fashioned yard games! We have ladder ball, corn hole, sack races, and a volleyball net. **WE NEED YARD GAMES** so if you have anything you'd like to share, bring it with you that day. Chalk, games, hula hoops, bubbles, etc. There will be a tent set up with tables and chairs for eating but you'll also want to bring your own picnic blankets and lawn chairs.

Volleyball Tourney???

We do have a volleyball net...just need a ball. Whether you're an old college pro or you've never touched a ball in your life...this is your chance to shine! We are looking for a volunteer to set up/**LEAD THE FIRST ANNUAL VOP VOLLEYBALL TOURNEY**. Street against street or VOP 1 against 2. You would be responsible for corralling players, organizing street teams, setting up a bracket. We'll provide the trophy and the laughs. If Volleyball is your calling, please contact me!

Music

No good outdoor party is complete without music. Seeking a creative volunteer or several to **HELP ORGANIZE MUSIC**. Maybe you have a garage band and you're looking for a free gig, maybe you just have a big truck with speakers made for tailgating. Either way, we'd love your help!

Thanks in advance for helping us make this the best spring event. We are looking forward to making some fun memories together. As always feel free to reach out if you have questions or suggestions on how to make it great!
