## LETTER FROM THE PRESIDENT, VOP BOARD OF DIRECTORS

Our covenants committee headed up by Clyde Peters, including other members, Claudia and John Muller, Douglas Nelms and Kim Teitelman continue to do an outstanding job! They have processed 23 applications so far this year with an approval rate of 99%. They follow the Design and Maintenance Standards ensuring our property values are protected making our community one of the best in the Haymarket/Gainesville area. The covenants committee meets on the third Thursday of every month at 7PM in the club-house. If you have any suggestions or questions, please stop by.

Curb appeal also plays an important part on home values. As you drive through our community, you get a feel of a well maintained area. Please keep in mind that trash/recycling containers left out on non-pickup days can have a negative effect.

A special thanks goes out to Bob Schaffer and Mike Saylor. They stepped forward and recently removed a downed tree blocking the sidewalk and street on Oakton Ave.

School is open now so please keep an eye out for our kids.

Regards,  
 Pete LaGuardia, Board President
