Letter from the Board President

Your Social Committee has been very busy these last few months. Tara Masterson headed up the Easter Egg Hunt and it was a joy for the children. Many turned out for the event and the weather was great! Ann Johnson headed up the Yard Sale for May 4th. She organized a map to help the buyers find the home locations. This event was advertised throughout our area. Joanna Lange is planning another first rate barbeque! It will be catered by one of our local residents. This is one event on May 18th you do not want to miss!

Our Grounds Committee has been working on identifying areas throughout the community to update the street scape. You will see Meadows Farms in May working on those areas.

Our community manager has been busy getting our pool ready for the summer. Do not forget to contact Gloria for stickers to update 2019 passes. If you need new passes, please fill out the pool pass application and return to the management of-
fice.

There has been a number of concerns about speeding in our community. I have been personally working with PWC Transportation Planning Division for the last few years to identify a way to solve this problem. Recently, they conducted a survey in our community to determine a solution. Richard Weinmann, from the Transportation Division will be making a presentation at the next board meeting (May 20, 2019) to discuss the results of their survey and recommended solutions. In order to solve this problem, Richard recommends community input and participation at this meeting. We, the board, need your help to reach a solution. This is one meeting you should not miss! With summer coming and the pool opening, speeding is a major concern.

Regards.

Pete LaGuardia
Board President

Annual Children's Service Day

Thank you to everyone who attended our first Annual Villages Of Piedmont Children's Service Day. With the help of Blanket Hearts founder, Amber Ostrup, we were able to create 15 beautiful blankets for our local veterans and their families. The social committee delivered the blankets, cards, and coloring pages that were created by VOP families to Warrior Retreat at Bull Run.

Blanket Hearts is a local organization, who delivers handmade blankets to anyone who needs a little pick me up. If you'd like to organize your own blanket making event, attend local scheduled event, or know anyone who is going through a rough time, and might enjoy a hand-made blanket, please contact Amber at <http://blankethearts.org/>

The Warrior Retreat at Bull Run is a temporary home-away-from-home for recovering service members and their families. Tucked away right here in Haymarket, the retreat offers cost-free events and activities for families to focus on quality time together. If you'd like to know how you can help, please visit <https://willingwarriors.org/>

Easter Egg Hunt

Thank you to the families who participated at our Annual Easter Egg Hunt! Congratulations to our golden egg winners Mike, Victoria, Maddox & Leah!
