

Dear Residents,

The Villages of Piedmont I Pool will open on May 25th, 2024 (Weather permitting)
The hours for the pool season are listed below. (These are the same hours for VOP II Pool).

Residents in the community can use both pools VOP I and VOP II. All owners and household members will be required to register through the digital pool pass system to access the pools in the community. **Attached are the instructions to register. If you registered last year and you have no changes in household members, then you do not need to register for 2024.**

For those residents that need to register please complete a registration request for yourself and household members in a timely manner to ensure ease of access to the pool facilities. Registrations must include each individual's name and corresponding clear, full headshot to complete the registration process. Residents who do not submit or complete the registration requirements will unfortunately, not have access to the VOP I & II pool facilities. The gate guard and/or lifeguard will not be able to register you for pool access at the pool facilities or validate a draft pool registration. Should you need assistance with registration, you can contact the management office during business hours.

Once a resident has submitted their registration(s) and the registration(s) has been approved, residents will have access to the VOP I & VOP II pools during normal operating hours. Upon arrival at either facility, please provide the gate guard with your name and address to validate your access to the facility. The gate guard will verify your registration(s) in the digital pool pass system and check you in. There will be no physical ID cards. Four guests are allowed daily per household. **The 2024 Operating Procedures/Swimming Pool Rules Rules & Regulations is also attached for your reference.**
